Subject: Request for issuance of No Objection Certificate (NOC) for CBSE Affiliation Dynamic English School, Karjat.

Respected Sir/Madam,

I am writing to formally request the issuance of a No Objection Certificate (NOC) from your office to forward our application to the State Government of Maharashtra for obtaining the State Govt NOC required for CBSE Affiliation.

Our institution, Dynamic English School, located in Karjat, Ahilya Nagar, has been dedicated to providing quality education in the region for over two decades. We have successfully maintained the following official recognitions:

Primary Recognition: Authorised by the State Department to conduct Class I admissions since 2003.

Secondary Board Recognition:

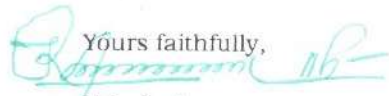

Officially recognised by the Maharashtra State Board since 2011.

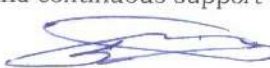

To better serve our students and align with national educational standards, our School management has decided to affiliate the institution with the Central Board of Secondary Education (CBSE). As a mandatory prerequisite for this affiliation, we require an NOC from the State Government, which initiates through your office.

Given our clean compliance record since 2003 and the upcoming academic planning cycles, we request you to process this application and issue the NOC with immediate effect. All necessary supporting documents, including past recognition certificates, land documents, and institutional profiles, are attached herewith for your verification.

Thank you for your time, consideration, and continuous support of educational advancement in Ahilya Nagar.

Yours faithfully,

Principal,
